RUSH FOR MONEYFailure of Private Banks
Causes Rush on State
Bank on Sunday.

International News Service:

CHICAGO, Sept. 18.—A squad of police, armed with riot clubs, fought an angry and panicky crowd of depositors in the bank of Schiff & Co., in W. 12th st., today. Alarmed by the numerous failure of private banks in Chicago, in the last month the depositors started a run on the institution yesterday and again today when it opened its doors this morning.

Banks in the west side foreign quarter are opened here for a few hours on Sundays. When the Schiff bank opened at 8:30 o'clock, a crowd of depositors entered and began withdrawing funds. Police protection was asked. More than \$50,000, mostly in savings accounts had been withdrawn when the bank closed at 1 o'clock. Samuel S. Schuster, cashier, announced there is plenty of money on hand and that all depositors who wish will be paid Monday.

Schuster blamed the run on the excitement caused by the crash of the Silver and Company. Michael Michnyuk and Sons, and the M. Ginsburg and Sons, private banks within a few weeks.

"Our institution is absolutely solvent," he said, "but we are powerless to avert what is happening." Schiff and Company's bank, one of the largest on the west side, has 15,000 depositors. It was founded in 1892 by Benjamin J. Schiff, now its president, and has been a state bank since December 15, 1915.

Private Bank Run Continues. The run on the private bank of Braslowsky and Company, which began Saturday night, continued Sunday. Vladimir Braslowsky, the banker, unable to secure American currency because the down town banks were closed on Sunday, paid the depositors in Russian money. About \$20,000 was withdrawn. Braslowsky posted a notice to the effect that Russian money was all he had today, but would have plenty of American currency Monday. This bank, also is considered solvent. It is only a block from the Ginsburg bank which closed Saturday night.

Fearing widespread effect from the private bank failures Bernard Horwich, president of the Rock Island Savings bank in the west side district, Sunday asked for a police guard when the bank opens tomorrow.

Others Take Precautions.

Precautions were taken Sunday night by other private banks to ward against runs Monday. States Atty. Hoyne, who has been conducting an investigation of private banks in Chicago, publicly announced a few days ago that many of the institutions are insolvent. Atty. Bernard J. Brown, representing the owners of the Ginsburg bank, issued a statement tonight saying the institution is solvent, and will pay out in full. He refused, he said, to surrender his clients to the state's attorney because of threats of imprisonment and indictments.

BIG FIRE CAUSES \$200,000
LOSS IN ILLINOIS TOWNCasey, Ill., Lumber Yard Burns and
Town Is Isolated as
Result.

CASEY, Ill., Sept. 18.—Fire of unknown origin, which was discovered about 6:30 o'clock Sunday evening, wiped out the property of the Central Lumber Co., valued at \$200,000 and damaged adjacent buildings and property. The town was cut off from telegraphic communication and the telephone lines also were down. Owing to the menacing flames the Vandallia Railroad Co. could not run its trains through the city for several hours. That a large portion of the city was not destroyed is due to the prompt work of its citizens. Before any effective work could be done by the fire department the city water which is supplied from a reservoir became exhausted. Men and boys responded promptly and formed a great bucket brigade which is largely responsible for saving adjacent property.

The property of the lumber company was insured. The company is one of the oldest business concerns in Casey.

Vandallia passenger train No. 44, due at Casey at 7:45 o'clock was held up on account of the fire for several hours. Freight cars and their contents standing on the siding near the lumber yard were ruined.

MAN WHO SHOT AT
GUTEAU IS DEAD

WASHINGTON, Sept. 18.—William Jones, 65 years old, widely known as "Billy Jones the Avenger," because he shot at Charles J. Guiteau, assassin of Pres't Garfield in 1881, died here Saturday. Guiteau was being taken from the court house to the District jail in a carriage when Jones rode upon a horse and fired at him. The shot went wild and Jones was arrested. He was held for some time but finally released.

Ex-Mayor Of
Gotham Dies

Hon. Seth Low L.L.D.

TOO MUCH WORK
CAUSE OF DEATHEx-Mayor of New York Spent
Much Time on Railway
Brotherhood Problem.

NEW YORK, Sept. 18.—Seth Low, former mayor of New York, and one time president of Columbia university, died late Sunday at his country home, Broadbrook farm, at the age of 66 years. He had been ill several months of a complication of diseases.

A change for the worse was announced Saturday night and it was then said the patient probably could not recover.

Mr. Low's most recent activities were exerted in an effort to find a solution of the differences between the railroad brotherhoods and the railroads. He had long been consulted by heads of the brotherhoods.

Due to General Brakesdown, Mr. Low's illness was attributed by his friends to a general breakdown. Since the outbreak of the European war he had been especially active as president of the New York chamber of commerce and president of the National Civic federation. He was chairman of the executive committee of Tuskegee institute, delegate at large to the recent New York state constitutional convention and a member of a government commission appointed to investigate labor troubles in Colorado.

As chairman of the committee on city government in the constitutional convention, Mr. Low is said to have worked continuously for six months many hours in the day and night. For three months prior to his illness he devoted himself almost exclusively to trying to find a solution to the differences between the railroad brotherhoods and their employers.

Labors During Illness. Even after he was stricken, he kept in touch with the brotherhood heads. Samuel Gompers, president of the American Federation of Labor and other union leaders with whom he was, on terms of intimate friendship. Until his illness assumed an acute stage several weeks ago, Mr. Low busied himself with plans of the National Civic federation. Mrs. Low and other members of the household were with him when he died. Arrangements for the funeral have not been completed.

SHOWN IN FILMY WAYMovies of Republican Office Seekers
in Indiana Will Be
Exhibited.

International News Service: INDIANAPOLIS, Sept. 18.—The "movies" of the republican candidates of Indiana were exhibited here today privately to a number of leading politicians. The republican managers wished to take no chances on presenting their candidates to the public through the filmy way until they saw the quality of their "screen faces." The pictures show James P. Goodrich, candidate for governor, with his family in his home and contains intimate views of all the other candidates on the state ticket.

DROPS DEAD IN CHURCH

Another Expires on Way to Visit
With Friend.

LAFAYETTE, Ind., Sept. 18.—Joseph Schneider, 58 years old, dropped dead in St. Boniface church here Sunday after taking part in a parade of Catholic laymen, which was a part of the Golden Jubilee program of the church. He is survived by a widow and nine children. August Carlson, 65 years old, fell over dead after going to a friend's home to spend the day. He is survived by three children. Heart trouble is assigned as the cause of death.

CLEAR SKY BOLT KILLS

ROCKVILLE, Ind., Sept. 18.—Lightning, apparently out of the clear sky, early Saturday killed Miss Roseann Lewman, 22 years old, at her home in Howard, near here. Miss Lewman was sleeping on a sleeping porch near a telephone. The bolt shattered the telephone pole at the side of the house.

EIGHT HELD FOR
FLEEING RICHAlleged Blackmailers Said to
Have Secured \$250,000
From Victims.

News-Times Special Service:

CHICAGO, Sept. 18.—Eight members of an alleged blackmail gang, charged with using the beauty of their women members and the fascinating powers of their male confederates to mulct wealthy men and women out of more than \$250,000 are in custody of federal authorities here Sunday and will be taken to Philadelphia for trial.

The band including five men and three women, were arrested shortly before midnight Saturday night in a raid by department of justice officials on a fashionable south side apartment hotel.

Fleece Prominent Leaders.

They are accused of fleecing men and women of social prominence in Chicago, Baltimore, New York and Philadelphia through organized efforts. Their scheme, according to Hinton G. Clabaugh, of the department of justice, was to compromise their victims and then blackmail them. Impersonation of department of justice officials is another charge against the men. They are said to have used the charms of their women confederates to win attention from rich men and then to have threatened their victims with prosecution under the Mann act.

Those arrested gave the names of Henry Russell, Edward Donahue, Helen Evers, Mrs. Frances Allen, Mrs. Edward Donahue, James Christian, Frank Crocker and George Bland. George Irwin, alleged director of the group is still at large.

Charged with Kidnapping.

The chief charge against the band is the alleged kidnapping of Mrs. Kesina H. Clifford, of Philadelphia, one of their alleged victims.

She was spirited away to Canada, it is charged, at the time she was wanted to testify against the band.

The chief offenses charged against the band occurred in Philadelphia and for that reason they will be taken there for trial, said Clabaugh Sunday. They will be arraigned for preliminary hearing here Tuesday and will be started for Philadelphia immediately afterward.

Authorities refused to reveal the names of the victims. Some, it was said, are men prominent in political life, who were victimized while at the republican convention here last June.

Federal authorities said tonight that one of the gang, Henry Russell, had posed as a brother of Mayor William Hale Thompson, of Chicago, and had used this alias in a plot that was near consummation. One "Bill" Woodward, another alleged director of the gang is also being sought, it was said.

To End Catarrhal
Deafness and
Head Noises

Persons suffering from catarrhal deafness and head noises will be glad to know that this distressing affliction can be successfully treated at home by an internal remedy that in many instances has effected a complete cure after all else has failed. Sufferers who could scarcely hear a watch tick have had their hearing restored to such an extent that the tick of a watch was plainly audible seven or eight inches away from either ear.

Therefore, if you know someone who is troubled with head noises or catarrh, or catarrhal deafness, cut out this formula and hand to them, and you will have been the means of saving some poor sufferer perhaps from total deafness. The prescription can be prepared at home, and is made as follows:

Secure from Drug store or your druggist 1 oz. Parant (Double Strength), about 75c worth. Take this home and add to it 1-4 pint of hot water and 4 oz. of granulated sugar; stir until dissolved. Take one tablespoonful four times a day.

The first dose should begin to relieve the distressing head noises, headache, dullness, cloudy thinking, etc., while the hearing rapidly returns as the system is invigorated by the tonic action of the treatment. Loss of smell and mucus dropping in the back of the throat, are other symptoms that show the presence of catarrhal poison, and which are often entirely overcome by this efficacious treatment. Nearly ninety percent of all ear troubles are said to be directly caused by catarrh, therefore there must be many people whose hearing can be restored by this simple home treatment.

Every person who is troubled with head noises, catarrhal deafness or catarrh in any form should give this prescription a trial.—Adv.
